- Ohio had 112 Domestic Violence deaths last year. 95% of victims are women.
- Ohio is seeing an increase in intimate partner abuse especially among teens.
- Women exposed to sexual abuse and domestic violence are at increased risk of addiction.
- Ohio ranks 5th in country for Human Trafficking incidents.

Zonta Foundation of Columbus supports programs for women in recovery from human trafficking, domestic violence, and substance abuse. We provided donations, meals, clothing, toiletries to over 200 women at risk last year.

Zonta also provides scholarships to female high school seniors and to non-traditional women pursuing their education later in life.

Thank you for participating in this fundraiser.
